2022-2023

GOURI DEVI
NURSING ACADEMY

ABOUT US

Gouri Devi Nursing Academy began its journey on August 2013 under Durgapur Institute of Advanced Technology and Management Society, by taking an altruistic initiative of Gouri Devi Hospital & Research Institute in health care system of Durgapur & its adjoining areas. We are well aware of the nuances, the demand & supply gap between the health care industry, its requirements and the Institutes that churn out such health care professionals. It is after experiencing first-hand how desperately the healthcare industry needs quality personnel to fulfill this gap.

Right to health as we all know, is one of the fundamental rights endowed by the constitution of India. To provide quality healthcare services, there are various statutory bodies regulating education and training in various fields of health care services. Gouri Devi Nursing Academy shall abide by this as we are committed to maintain highest standard of quality in healthcare education that we provide. Gouri Devi Nursing Academy is one of its kind in the allied health sciences in eastern India, conducting GNM, B.Sc. Nursing, Paramedical courses in allied health sciences in this part of the country.

Initially Gouri Devi Nursing Academy started its journey with General Nursing and Midwifery course in August 2013 and gradually B.Sc. Nursing and Paramedical courses has been opened under this Institute.

VISION

To emerge as the state & country's leading value-based education & professional hub to have a transformed impact on society by promoting innovative ideas and shaping global entrepreneurs and leaders.

MISSION

The mission of this College of Nursing is to provide accessible, affordable & High-Quality Education to diverse students for the development of nurse practitioners at all entries of practice. The mission will be accomplished through:

- ❖ Innovative programs that reflect the needs and current trends in Health Care of neighboring Communities and wider geographic regions.
- ❖ Provision of the state-of-the-art Health Care and serve as a resource for the surrounding and global Communities.
- ❖ Research that advances the scientific and theoretical foundation of nursing.

PRESIDENT DESK

“Education is that light which teaches us to utilize our every minute and talent to spread the fragrance of Beauty within us and illuminate the world with its spark”

*Shri. R. N. Majumder,
Chairman*

NURSING PRINCIPAL

Ms. A. Shrimathi
Principal
College of Nursing

“Modern nursing is a dynamic, therapeutic & educative process of the health professionals which functions in conjunction with other health care agencies in assisting individual; families & communities to achieve their goal & maintain desirable standards of health in the cyber era.”
